

RRCT Draft Agenda

Gulf Regional Sediment Management Master Plan Session

Wednesday, July 11, 3:30 – 5:30

Brief overview of GRSMMP Focus Areas

Authorities, Policies, & Funding

- Relevant to sediment resources
 - Known resources, dredged material, placement practices
- Questions & Issues
 - Review of some previously aired (conference calls, facilitate discussions, workshops, etc)
- Additions to Questions & Issues
- Discussions of Questions & Issues
 - Are they questions we think we have an answer for, or not?
 - Are they issues for which alternatives should be drafted?

Prioritize (what really needs to be addressed in this focus area?)
